ELEVEN

STADIUM
EXPANSION

When the club grows, so does the fanfare. The lines are endless and everybody wants a seat in your Stadium. Not only that, but the more fans you have the more they'll want, and the harder you'll have to work to construct the facilities that satisfy them. It's going to be an interesting season, so you better get those Sponsors ready and face the challenge!

COMPONENTS AND SETUP

★ COMPONENTS ★

★ SETUP ★

Shuffle the new Objective cards into the Objective deck, the new Board Meeting cards into the Board Meeting deck, and the new Sponsors into the Sponsor deck.

Place the new Staff cards in a facedown deck near the Board Meeting deck. Do not shuffle these decks together.

Separate the Unique Stadium Infrastructure tokens into 2 groups: place all the tokens with an **SPECIAL** in a stack near the Board Meeting deck, and then from those that remain, draw twice as many Unique Stadium Infrastructure tokens as there are players in the game. Add these to the general supply so they are visible to all players. Place the rest of the Unique Stadium Infrastructure tokens aside.

Prepare the rest of the components as usual.

★ NEW STAFF CARDS ★

The Staff cards from this expansion belong to a new **Pink set**. Instead of having a normal cost, they have a special icon: **SPECIAL**. You can gain these cards using the effects of new Board Meeting cards. If any card instructs you to Hire a card from this set, search the deck for the indicated card and place it below your Club board. Remember to adjust the Maintenance track.

NEW TOKENS AND CARDS

★ NEW BOARD MEETING CARDS ★

The new Board Meeting cards from this expansion are shuffled into the Board Meeting deck. Some of these cards allow you to Hire Staff from the **Pink set**. When you Hire these cards, search the Staff deck and add the corresponding Staff card below your Club board.

★ NEW SPONSOR CARDS ★

The new Sponsor cards from this expansion are shuffled into the Sponsor deck. Some of these cards allow you to build Stadium Infrastructure tokens marked with a special icon: **SPECIAL**, or Hire Staff cards from the **Pink set**.

★ NEW OBJECTIVE CARDS ★

The new Objective cards from this expansion are shuffled into the Objective deck. These Objectives are similar to those in the base game and have no special effects.

★ UNIQUE STADIUM INFRASTRUCTURE TOKENS ★

All the new Stadium Infrastructure tokens are Unique, which means there is only one copy of each. Some of the Stadium Infrastructure tokens are marked with an icon: **SPECIAL**. You may only build them when you are instructed to do so by certain Board Meeting or Sponsor cards.

The rest of the Unique Stadium Infrastructure tokens have their own cost and effect, similar to the other Stadium Infrastructure tokens from the base game.

As usual, you may spend 3  to build any Stadium Infrastructure token from below the Transfer Area.

Some Board Meeting cards allow you to build Unique Stadium Infrastructure tokens. You may build them even if they were put aside during the Setup.
