

KICKSTARTER PACK RULES

The Isle of Cats Kickstarter Pack contains upgraded components and new content for the game.

10 CAT TILES

These should be added to the discovery bag. They follow all the normal rules for cat tiles.

62 WOODEN FISH

The wooden fish replace the existing cardboard fish tokens in the game. You will no longer need the cardboard tokens.

3 RARE TREASURE TILES

These should be added to the discovery bag. They follow all the normal rules for rare treasures.

6 LARGE CAT FIGURES

These should be used as player pieces to represent each player on the turn order track on the island.

4 OSHAX TILES

The rules for these can be found on page 23 of the rulebook.

3 LESSON MODULES

The rules for these can be found on page 23 of the rulebook.

Solo rules: Do not use Lesson Module E in solo games.

12 DISCOVERY CARDS

Separate these 12 cards from the new lesson modules and shuffle them into the discovery deck, always use them in every game.
