WELCOME to Telestrations, the visual version of the classic "telephone" game... where your sketches & guesses can create laugh-out-loud family fun! It's the game where you **DRAW** what you see, then **GUESS** what you saw!

OBJECT

To laugh a lot and have fun with friends and family. Who knows, you might even discover the inner artist in you!

SETUP

1. Place **cards**, **clean-up cloths** & **die** in center of the group.
2. **Decide** as a group which cards everyone will be using, "**THIS SIDE**" or "**THAT SIDE**". (And no, there is no difference.)
3. Each player selects a **sketch book**, one **marker** & one **card**.
4. **Write your name** in the front of your sketch book and remember the color of your coil.

NOW THE FUN CAN BEGIN!

CONTENTS:

72 "This Side" & "That Side" Cards (over 800 words),
6 Erasable Sketch Books*, 6 Dry-Erase Markers*,
3 Clean-Up Cloths & 1 Die

* see back for dry-erase marker & sketch book care instructions.

LET'S PLAY →

1**GETTING A WORD**

Select a player to roll the die to start the round. Match the number rolled to the word on your card. *Secretly* write it in your book. Don't say it out loud or show it to anyone!

**NOTE:**

If there is a blank space on your card that matches the number rolled, you get to make up any word(s) you want. If you see an underlined category, such as "TV SHOW", you get to make up any word(s) in that category.

If you see me on the bottom of your card you get to pick any word you want from the card!

2**NUMBER OF PLAYERS?****4 OR 6**

Turn to "SKETCH IT" page 1. Get ready to *secretly* draw your word. Now continue on to step 3.

**5**

Turn to "SKETCH IT" page 1 and then... **PASS BOOK TO PLAYER ON LEFT!**

That player *secretly* looks at your word, then gets ready to draw it on "SKETCH IT" page 1. Now continue on to step 3.

(THIS ENSURES THE ROUND FINISHES ON A GUESS)

WHY DOES THIS MATTER?

At the end of the round, regardless of number of players, last completed page should be a written guess, not a sketch.

5**ROUND & ROUND IT GOES**

Everyone continues to sketch, pass & guess until players get their own book back. Everyone's book should end with a guess.

**6****THE BIG REVEAL!**

Now that everyone has their own book back, it's time for the Big Reveal! Take turns flipping through & sharing the **SKETCHIN'** & **GUESSIN'** outcomes in your book!

3 SKETCHIN'

Everyone should now be on "SKETCH IT" page 1. At this point, everyone should draw the Secret Word they just looked at. Take about a minute, and when you are done, turn to page 2 to hide your sketch & pass open book to player on your left.

4 GUESSIN'

Now everyone should be on "GUESS IT" page 2. Flip back to the previous page & take a few seconds to *secretly* look at the sketch. Then return to page 2 to write your guess. Flip forward to next page & pass open book to player on your left.

HELPFUL HINTS:

SKETCHIN' HINTS

No letters or numbers. No blank pages.
Do your best to draw your word.
Trust me, it will lead to the most fun!

GUESSIN' HINTS

Don't just put a question mark or leave
the page blank. Write any guess...
no matter how silly it may seem.

PASS

PASSIN' HINTS

When you're finished sketchin' or guessin',
flip forward a page and wait until all
players are ready. Everyone passes
open books at the same time.

ARE YOU A WINNER?

DID YOU HAVE FUN? WELL, THEN YOU'VE WON!
WHAT ABOUT KEEPING SCORE? IF YOU'D LIKE
TO DO SO, THERE ARE TWO OPTIONS IN THE
"SCORING" SECTION LOCATED
ON THE NEXT PAGE! →

WANNA PLAY AGAIN?

I DON'T BLAME YOU!
HERE'S WHATCHA DO...

FIRST, EVERYONE ERASE PAGES 1-6.
NEXT, SET ASIDE USED CARDS.
EVERYONE GET A NEW CARD.

TO MIX IT UP, REVERSE PASSING DIRECTION
FOR ANOTHER ROUND OF FUN
& LAUGHTER.

SCORING

So you wanna keep score? Each player will use the score sheet in the front of their book to record their points during each reveal. A game is played in 3 rounds. After 3 rounds, total up your points. The player with the most points... well, you know!

FRIENDLY SCORING:

After *you* reveal the outcomes in your own book:

1. Give 1 point to the player with *your* favorite **SKETCH** in your book.
2. Give 1 point to the player with *your* favorite **GUESS** in your book.
3. Give *yourself* 1 point if the last guess matches the secret word.

COMPETITIVE SCORING:

As you reveal the outcomes in your own book, *everyone* can score points:

1. **Guessers** earn 1 point if their guess matches the secret word or previous guess.
2. **Sketchers** earn 1 point if their sketch helps a guesser make a match.
3. Give *yourself* 1 point if the last guess matches your secret word.

TWIST THINGS UP!

Here are some fun game play twists for next time:

1. Switch seats or remember to reverse passing direction.
2. Sketch with your less dominant hand.
3. Create your own cards with words themed to different categories for your events.
4. If you play with mixed ages, decide in advance that youngest player always gets to choose any word they like on either side of card.

MARKER & BOOK CARE

Make sure all sketch book pages are completely erased and clean before storing back inside game box, as pages may stick together and ink may stain the pages.

Recap markers after use. If a marker dries out, use any dry-erase marker and keep on playing.

Dry-erase markers may stain fabrics and some surfaces. Protect play area before use. Avoid contact with carpet, clothing, walls and furniture. Keep away from eyes and skin.
